Day 1: Miami Arrival Day

Travelers will be arriving independently today to Miami. This evening, join the group and attend a welcome briefing to get you prepared for your trip to Cuba. Your tour director will be available to answer all of your questions and will also invite you to a welcome cocktail to get better acquainted with your traveling companions.

Day 2: Havana Arrival

Your short flight to Havana will last just under an hour, and upon arrival you'll meet your Cuban Tour Guide and local expert, who will accompany you throughout your journey. After collecting your bags and exiting customs, as an introduction to Cuba, your driver will take you on a panoramic overview of the city. Make a stop at the remarkable Plaza de la Revolucion, the city's most important square and center for political talks and cultural happenings. Here you will see the statue of Cuba's national hero, Jose Marti, as well as symbols of the country's revolutionary heroes including Camillo Cienfuegos and Che Guevara. Learn about the different neighborhoods in Havana, including the vibrant Vedado district, where the University of Havana is also located. Be sure to have your walking shoes on for a walk with your local guide through Old Havana to learn about the recent restorations and the historical importance of many of its glorious buildings, many dating to Colonial times. Visit the 4 major squares in Havana: Plaza Vieja, Plaza de la Catedral, Plaza de Armas and Plaza San Francisco. When hungry, indulge at a local "paladar", or privately-owned restaurant in Cuba, for your introduction to Cuban cuisine. In the late afternoon, be picked up and transported by a vintage American car! Interact with your drivers to learn about the challenges as well as interesting ways they've been able to maintain these vehicles throughout the years. Be dropped off at the San Jose Craft market to meet local artists and artisans, and discover for yourself how

remarkable a variety and quality of crafts are made in Cuba. Soon it will be time to check into your hotel and later at a local restaurant for a tasty welcome dinner in Havana, Cuba. **(B,L,D)**

Day 3: Havana - Old Havana

After a leisurely breakfast, enjoy a walking tour of old Havana and visit its 4 principal squares. Tour the Gaspar Melchor de Jovellanos school where young students learn about restoration techniques to preserve historic buildings and homes. Lunch will be provided before heading on to the San Jose Handicrafts market and the Habana Compas Dance Company for a special performance by young people who have invested their hearts and souls into their passion. We'll finish our day with a visit to the Fuster art colony and community project before returning to the hotel for dinner on your own. **(B,L)**

Day 4: Havana

After breakfast, we'll start with a lecture about USA-Cuban policy with a local expert before starting a full day of tours beginning with a visit to Finca Vigia (Hemingway's former home), then a stop at the Day care center at Parraga. Then, it's on to lunch at a local paladar before moving on to the Museum of Bellas Artes and the Hotel Nacional where we'll learn about its rich history and significance in Havana. Tonight, we'll enjoy a cocktail at the Hall of Fame followed by a ride in an American vintage car to the Lorenzo Lopez house where will enjoy cocktails and tapas before returning to the hotel for dinner on your own. **(B,L)**
